

## REQUIREMENTS FOR OBTAINING A SWIMMING POOL PERMIT FOR PROPERTY UTILIZING AN ON-SITE SEWAGE MANAGEMENT SYSTEM

1. Property owner or authorized agent must complete the permit application and applicable fees must be paid in advance of services.

For current fee information in **Cobb County**, call (770) 435-7815.

For current fee information in **Douglas County**, call (770) 920-7311.

2. Submit an accurate site plan drawn to a scale of 1 inch to 20 feet, except for larger lots in which a scale as small as 1:50 may be used.

The proposed location of the pool must be staked on the property for evaluation and approval.

3. If the ONSS needs to be relocated, property owner or authorized agent must obtain an ONSS modification permit.
4. If a new septic system is necessary, homeowner or authorized agent must obtain a new ONSS permit.
5. **In the case of item 3 or 4**, if sewer is available permits will not be issued and connection to the sewer will be required.
