PUBLIC HEALTH**

Healthier lives. Healthier community.

Employment Opportunity

Environmental Health Compliance Specialist 1 Position #00167061

Cobb and Douglas Public Health a nationally accredited health department, headquartered in Marietta, Georgia since 1920 promotes the health and safety of the residents of Cobb and Douglas counties in partnership with several other agencies. CDPH is committed to delivering compassionate, high-quality, affordable healthcare services with special attention to the at-risk population. We work to achieve healthy people in healthy communities by: Preventing epidemics and spread of disease, protecting against environmental hazards, preventing injuries, Promoting and encouraging healthy behaviors, responding to disasters, assisting in community recovery, and Assuring the quality and accessibility of health care. By excelling at our core responsibilities, we will assist our residents in living healthier, longer and more rewarding lives.

We Offer: 12 paid holidays, 3 weeks each of annual and sick leave per year. A defined benefit retirement plan with matching 401k; fully vested after 10 years of full-time employment. In addition, the following benefit options are available: medical, dental, vision, legal, dependent life, AD&D, short and long-term disability, legal, healthcare spending, childcare spending, etc. Flexibility within our core operational hours of Monday-Friday 8am-5pm. Promote learning and growth. Employee recognition program. Diverse workforce. And much more!

Summary: Under direct supervision and in a training status, learns to perform environmental health inspections for the Public Health Department and recommends monitoring and corrective/enforcement actions as needed. Investigates complaints and provides environmental health education and technical assistance to the general public, regulated community and officials. Assists in the implementation of a countywide program for compliance, monitoring, enforcement and corrective action in conjunction with environmental health laws, rules and regulations. May serve as a compliance officer and liaison between the Public Health agency, facilities, municipalities, institutions, organizations, and county and state agencies. Learns to interpret Local, State, and Federal Environmental health laws and regulations. This is the entry level for the Environmental Health job series. Incumbents in the job may require additional training or experience to attain full proficiency in some or all of the job responsibilities.

Minimum Qualifications: Bachelor's degree from an accredited college or university which includes the completion of 27 semester hours (or 40 quarter hours) in laboratory sciences (e.g., chemistry, biology, geology, physics, etc.).

Preferred Qualifications: Master's degree in Environmental Health, Public Health or related field. Completion of an internship in a county or state environmental health program.

Salary Information: \$32,220 annual / Total compensation package, including leave value \$57,847 / Pay Grade H

Applications Accepted: December 21, 2018 – January 20, 2019
