Position: 00218515

Cobb and Douglas Public Health a nationally accredited health department, headquartered in Marietta, Georgia since 1920 promotes and protects the health and safety of the residents of Cobb and Douglas counties in partnership with several other agencies. CDPH is committed to delivering compassionate, high-quality, affordable healthcare services with special attention to the at-risk population. We work to achieve healthy people in healthy communities by: Preventing epidemics and spread of disease, protecting against environmental hazards, preventing injuries, Promoting and encouraging healthy behaviors, responding to disasters, assisting in community recovery, and Assuring the quality and accessibility of health care. By excelling at our core responsibilities, we will assist our residents in living healthier, longer and more rewarding lives.

We offer: Flexibility within our core operational hours of Monday-Friday 8am-5pm. Promote learning and growth. Employee recognition program. Diverse workforce. Worksite wellness opportunities. And much more!

Summary: Under general supervision, provides injury prevention education for children and their families. Ensuring that programs are consistent with guidelines and objectives developed by Safe Kids Worldwide, Safe Kids Georgia, Public Health and other governing agencies. Collect and analyze data to identify community needs prior to planning, implementing, monitoring and evaluating programs designed for Childhood Injury Prevention. Works as a child passenger safety technician during the Child Safety Seat Inspection Station (CSSIS). Consistently adheres to best practices when educating parents and caregivers regarding the use and installation of their child safety seat. Maintain professional representation of self, Safe Kids and CDPH while conducting each education session. Collect donations from participants according to BOH policy. Maintain accurate records of each interaction with clients. Promote, develop, and evaluate community partnerships. This position works to promote and protect the health and safety of the residents of Cobb & Douglas Counties.

Minimum Qualifications: Completion of a bachelor's degree in education, social, behavioral or biological sciences or directly related field. Two years of providing community education or related work experience may substitute for degree.

Preferred Qualifications: Master's degree in public health education AND one year of experience in Public Health education AND certification as a Child Passenger Safety Technician.

Salary Information: \$20 per hour / Up to 29 hours per week **(No Benefits)**

Application Accepted: June 10, 2019 – June 13, 2019
