Employment Opportunity

Public Health Analyst- Opioid Response Position #00218900

Cobb and Douglas Public Health a nationally accredited health department, headquartered in Marietta, Georgia since 1920 promotes and protects the health and safety of the residents of Cobb and Douglas counties in partnership with several other agencies. CDPH is committed to delivering compassionate, high-quality, affordable healthcare services with special attention to the at-risk population. We work to achieve healthy people in healthy communities by: Preventing epidemics and spread of disease, protecting against environmental hazards, preventing injuries, Promoting and encouraging healthy behaviors, responding to disasters, assisting in community recovery, and Assuring the quality and accessibility of health care. By excelling at our core responsibilities, we will assist our residents in living healthier, longer and more rewarding lives.

We Offer: Exceptional opportunities along with excellent benefits, which include: 12 paid holidays, 3 weeks each of annual and sick leave per year. A defined benefit retirement plan with full vestment after 10 years of full-time employment; includes an employer 401k match. Payroll deductible health benefits (medical, dental, vision, legal, long-term care, dependent life, AD&D, short and long-term disability, etc.). Medical and child care spending accounts can be established in addition to deferred compensation options. Flexibility within our core operational hours of Monday-Friday 8am-5pm. Learning and growth opportunities. Employee recognition program. Worksite wellness activities. Diverse workforce. And much more!

Summary: Under general to limited supervision, collaborates with local law enforcement, fire, EMS, District Attorney, treatment and recovery centers and the Public Health prevention and treatment communities. Will facilitate and educate, promoting the use of ODMAP (an overdose mapping tool) collecting relevant public health data for information sharing. Coordinate all planned training activities of ODMAP. Represents the agency as the subject matter expert, on conference calls, during meetings and email exchanges. Assists in the promotion of the Opioid & Substance Use Response Plan and HIV/Hepatitis/OD Response Plan. Prepares reports, posters, fliers and charts as a visual presentation of data collected. Works with District Epidemiologist, collecting and organizing public health data for submission to the state. This position works to promote and protect the health and safety of the residents of Cobb and Douglas Counties.

Minimum Qualifications: Bachelor's degree in business or related field from an accredited college or university AND one year of experience related to area of assignment.

*Note: An equivalent combination of education and job specific experience that provided the knowledge, experience and competencies required to successfully perform the job at the level listed may be substituted on a year-over-year basis. *

Preferred Qualifications: Degree and background with EMS or law enforcement background. Participated in new program development. Recent experience working in a key supportive role for a state or regional opioid/substance abuse/overdose response program. Experience working with first responders, public health and/or healthcare communities. Proficiency with Microsoft Office Suite. Effective oral and written communication skills.

Salary Information: \$40,000-\$45,000 annually / Pay Grade J
