Cobb and Douglas Public Health, a nationally accredited health department, headquartered in Marietta, Georgia since 1920, promotes and protects the health and safety of the residents of Cobb and Douglas counties in partnership with several other agencies. CDPH is committed to delivering compassionate, high-quality, affordable healthcare services with special attention to the at-risk population. We work to achieve healthy people in healthy communities by: Preventing epidemics and spread of disease, protecting against environmental hazards, preventing injuries, Promoting and encouraging healthy behaviors, responding to disasters, assisting in community recovery, and Assuring the quality and accessibility of health care. By excelling at our core responsibilities, we will assist our residents in living healthier, longer and more rewarding lives.

Summary: An ideal candidate is working towards gaining technical and practical knowledge in various Environmental Health disciplines related to regulatory and food safety requirements. Working in a team environment, as applicable, to find agreeable and effective solutions to environmental health issues and problems, while supporting personnel, business needs, and the work environment.

Minimum Qualifications: Pursuing Bachelor of Science in environmental health, chemistry, biology, public health, or closely related field. Valid driver’s license.

Work Conditions/Physical Demands: A combination of office and field work, however, mostly office work. Office work entails data entry, filing, and customer interaction both in-person and via phone. Field work involves shadowing and assisting with inspections of food service facilities, tourist accommodations, swimming pools, and requires sufficient mobility to bend, stoop and stand along with good visual acuity to determine color indicators as tests are performed. Also, requires the physical ability to move through workspaces and view areas under parts of equipment and shelving. Lifting of items during normal work should not exceed 25 pounds.

Applications Accepted: July 1, 2020 – July 10, 2020
