

**WE ARE CURRENTLY
EXPERIENCING AN
OUTBREAK OF
INFLUENZA**

We recommend that you visit our facility another time, but if you choose to visit today, wash your hands with **soap and water** to prevent the spread of illness:

- Upon entering the facility
- On your way out
- Before eating or drinking
- After using the restroom or helping a resident to use the restroom

**DO NOT VISIT if you are sick with
fever, cough and/or sore throat**

NO VISITORS under the age of 16
