ENVIRONMENTAL HEALTH

BECOME AN EMPLOYEE HEALTH ACHIEVER

- Show proof of providing— and the food worker acknowledging—an Employee Health Agreement (confirmed during your routine inspection);
- Include the five required parts in the facility's **Employee Health Policy**:
 - 1) signs and symptoms of disease;
 - 2) the 6 diseases reportable to the local health authority;
 - 3) when to restrict food workers;
 - 4) when to exclude food workers and
 - 5) when workers may return to work] (confirmed during your routine inspection); **and**
- Pass our online Employee Health & Hygiene quiz.

Go to www.cobbanddouglaspublichealth.com for more tools to assist with Employee Health and Hygiene.
