PUBLIC HEALTH**

Healthier lives. Healthier community.

Employment Opportunity

Hourly PH Envir. Compliance Specialist 2 Position #00221612

Cobb and Douglas Public Health a nationally accredited health department, headquartered in Marietta, Georgia since 1920 promotes and protects the health and safety of the residents of Cobb and Douglas counties in partnership with several other agencies. CDPH is committed to delivering compassionate, high-quality, affordable healthcare services with special attention to the at-risk population. We work to achieve healthy people in healthy communities by: Preventing epidemics and spread of disease, protecting against environmental hazards, preventing injuries, Promoting, and encouraging healthy behaviors, responding to disasters, assisting in community recovery, and assuring the quality and accessibility of health care. By excelling at our core responsibilities, we will assist our residents in living healthier, longer, and more rewarding lives.

We offer: Flexibility within our core operational hours of Monday-Friday 8am-5pm. Promote learning and growth. Employee recognition program. Diverse workforce. Worksite wellness opportunities. And much more!

Summary: Under general supervision performs inspections, interviews, and technical reviews for an environmental health program in a Public Health Department. Accurately interprets regulatory issues, technical issues, and analytical data to document compliance. Assists in investigating complaints and recommending enforcement action, as necessary. Performs inspections, interviews, technical reviews and recommends enforcement actions as needed. Provides information to the public, regulated community, and enforcement officers regarding the environmental laws and regulations. Reviews permit requirements and regulations to ensure compliance with state and federal environmental laws. This position works to promote and protect the health and safety of the residence of Cobb and Douglas counties.

Minimum Qualifications: Bachelor's degree from an accredited college or university which included the completion of 27 semester hours (or 40 quarter hours) in laboratory sciences (e.g., chemistry, biology, geology, physics, etc.) AND one year of experience at the lower-level or position equivalent.

Preferred Qualifications: Master's degree in public health or a laboratory science. Active Registered Environmental Health Specialist credential. Communication and customer service skills.

Salary Information: \$18.00 hourly/ Up to 29 hours per week / No Benefits

Applications Accepted: July 21, 2021-July 23, 2021
