

**COBB & DOUGLAS
PUBLIC HEALTH**

Healthier lives. Healthier community.

Employment Opportunity

Hourly Registered Nurse 2- BCW

Positions #00220097

Cobb and Douglas Public Health a nationally accredited health department, headquartered in Marietta, Georgia since 1920 promotes and protects the health and safety of the residents of Cobb and Douglas counties in partnership with several other agencies. CDPH is committed to delivering compassionate, high-quality, affordable healthcare services with special attention to the at-risk population. We work to achieve healthy people in healthy communities by: Preventing epidemics and spread of disease, protecting against environmental hazards, preventing injuries, promoting, and encouraging healthy behaviors, responding to disasters, assisting in community recovery, and assuring the quality and accessibility of health care. By excelling at our core responsibilities, we will assist our residents in living healthier, longer, and more rewarding lives.

We offer: Flexibility within our core operational hours of Monday-Friday 8am-5pm. Promote learning and growth. Employee recognition program. Diverse workforce. Worksite wellness opportunities. And much more!

Summary: Under the supervision of the BCW (Babies Can't Wait) Manager, assess client's birth to three with identified or suspected developmental delays. Provide patient education, linkage to care and developmental assessments. Maintain confidentiality and precise data entry, following all rules and policies. Must be willing to train others. Adheres to HIPAA regulations. Participates in outreach initiatives. Facilitates the development, review, and evaluation of the Individual Family Service Plan per program standards. Maintains strict timelines for implementation of services and enters all information into BIBS/VHN. This position works to promote and protect the health and safety of the residents of Cobb & Douglas Counties.

Minimum Qualifications: Bachelor's degree in Nursing from an accredited college or university AND current Georgia license to practice as a Registered Professional Nurse AND CPR certification OR associate degree in nursing from an accredited college or university AND One year of PHN experience AND completion of a PHN course within one year of hire AND current Georgia Registered Professional Nurse license AND CPR certification.

Work Conditions & Physical Demands: General office environment and home visits. This position does not require a lot of physical exertion. May require some lifting, but no more than 50 lbs. It does require flexibility of working in various areas of the clinic when necessary, and some outreach.

Preferred Qualifications: Bachelor's degree, Public Health or Community Health experience/knowledge. Experience with Babies Can't Wait or Early Intervention programs. Bilingual English/Spanish.

Salary Information: \$26 per hour / 29 hours per week (**No Benefits**)

Applications Accepted: July 6, 2021 – August 5, 2021
